

## TRAINING DAY, HOYTZ AND ALONZO

ALONZO: I like that shit. Hey! I like the way you moved out there! You were trained very well. Check that out, it's a shitty dime, see the small hairs, undeveloped seeds, all the stems in it? See how immature it is? That's classic brick-pack Mexican. That's garbage. Let me see, give me, Yeah, its old too. Shit's probably from last year. To be truly effective, a good narcotics agent, must know and love narcotics. In fact, a good narcotics agent, should have narcotics in his blood.

HOYTZ: What? Are you gonna smoke that?

ALONZO: Nope! You are!

HOYTZ: (laughs) Hell if I am!

ALONZO: Yeah? You're not?

(Car pools over, Alonzo points a gun into Hoytz face)

HOYTZ: Jesus Christ!

ALONZO: Yeah, right. If I was a dealer, you'd be dead by now, mother fucker. You turn down shit on the street, and the chief brings your wife a crispy folded flag. What the fuck is wrong with you? (He takes the gun away from his head) Talkin' about, you know what? I don't want you in my unit and I don't want you in my division. Get the fuck out of my car. Go back to the alley, rookie. Poopin' ass

HOYTZ: Give me that thing. I'll smoke it man, give it to me. You want me to smoke it, I'll smoke it. (Alonzo handles a lighter to Hoytz, he lights the joint up, and coughs)

ALONZO: Ahhh, virgin lungs. Man up now, man up nigga'

HOYTZ: Here you go

ALONZO: Go ahead, dog, you didn't even get it
